COURSE OVERVIEW

ACM101212 Certificate I in Animal Care Industry Pathways is a great starting point for animal carers and young learners to develop basic animal care skills. This qualification prepares students for entry into sectors of the animal care and management industry, where workers provide care for animals in workplaces such as pet shops, animal shelters, kennels, catteries, groomers, and sanctuaries.

This course will give you an introduction to the animal care industry and teach you how to conduct animal care work practices in an ethical and humane manner. Learn how to complete animal care hygiene routines, feed and water animals, provide basic first aid, and assist in the health care of animals. You'll also gain workplace skills in effective workplace communication, workplace health and safety, and animal handling practices.
